Church of the RESURRECTION

"Where People Come Alive!"

OPERATION ANDREW

How do you grow a church? The disciple Andrew knew and models for us how God wants His people to grow His Church. We call our intentional way of growing the church *Operation Andrew*. Let me tell you why.

First of all, CBS has got the idea with the new series "God Friended Me" showing on Sundays at 8:00 p.m. *God Friended Me* is a drama starring Brandon Michael Hall as an avowed atheist who receives a Facebook friend request from God and "unwittingly becomes an agent of change in the lives and destinies of others around him." I'm interested in checking out this new series and making up my own mind. It could be good.

Now the disciple Andrew became known as *the disciple who brings people to Jesus*. Andrew discovered Jesus through the witness of John the Baptist (John 1:29-39). The first thing Andrew did was to find his brother Simon and tell him "We have found the Messiah" (that is, the Christ). And he brought him to Jesus. Jesus looked at him and said, "You are Simon son of John. You will be called Cephas" (which when translated, is Peter). (John 1:40-42) From that time on Andrew brought people to Jesus.

Later, when Jesus was teaching on the mountainside, he looked up and saw a great crowd coming toward him, and said, "Where shall we buy bread for these people to eat?" There were so many the disciples were overwhelmed, but Andrew said, "Here is a boy with five small barley loaves and two small fish, but how far will they go among so

many?" (John 6:8-9) *Andrew saw the potential in the boy and trusted Jesus' ability to use these seemingly meager resources. This was when Jesus performed a multiplication miracle and fed the 5,000 men plus women and children. They were all full and satisfied. Andrew brought the boy to Jesus and facilitated this amazing miracle.*

Andrew became the apostle to the British Isles and their patron saint ever since. To us he is the model of how to simply, intentionally grow the Kingdom of God, the Church. Like Andrew, *people bring people*. We simply introduce them to Jesus and His Church. Andrew was not flashy, boisterous, or always wanting the limelight. *He simply brought people to Jesus*. Jesus did the rest. Each person had kingdom potential and Jesus brought the transformation which unleashed their potential. It started with Andrew. And these days, in these contemporary times, it starts with **you**.

How do we grow Church of the Resurrection? By the biblical model... Andrew. That's why we invite you to identify the unchurched, not-yet-Christian people in your sphere of influence and begin by making an Operation Andrew List, then praying for them, and inviting them to Church to discover Jesus. Jesus does the rest. He's good at it. In June we'll be making our Operation Andrew Lists, praying, loving, and inviting.

Our Lord Jesus will feed the people and they will be satisfied!

Memorial Service for LYM & BETTY HEVLE **Monday Afternoon, June 11th, 3:30 p.m. at the Church**

Lym and Betty Hevle were beloved members of Church of the Resurrection and served with exemplary dedication in their gifts and service in the early days of COR. Friends of the Hevles will be gathering to plant a memorial tree on the church grounds with a brief remembrance. The group is then planning on gathering for beverages and hors d'oeuvres to share our fond memories of the Hevles. Betty was the prophetic voice who announced that our current church facility should be the home for COR. Several years later the property became available and we purchased the church building for ministry to the glory of God. Come and remember and give thanks for two of God's special people. We miss them with grateful hearts. All are welcome.

We Are Adopting a Missionary Family to Provide Love & Support **D.H. & Emily Henry & Their Children** **Serve the Navajo People**

They Work With the WESTERN INDIAN MISSION in Window Rock

D. H. is a Teaching Elder with the Arizona Presbytery of our Presbyterian Church in America. D.H. and Emily share a profound and powerful calling to share the gospel of grace with the Navajo people. The Henry's and their three children live in Window Rock which is a remote corner of our presbytery. Although 3 ½ hours away COR is the closest congregation to the Henry's and so we are seeking "to be the church to the Henry family." We're inviting them to fellowship with us on occasion allowing us to lovingly support and encourage their work for the kingdom. Pray for the Henry family and let us celebrate what God is doing through their compassion and love.

This year's Vacation Bible School will address the real needs of children and how Jesus helps us overcome. When we feel **lonely**. When we **worry**. When we **struggle**. When we do **wrong**. When we feel **powerless**. **Jesus rescues!** These are important lessons from the Bible for us all.

Vacation Bible School teaches through caring adults and youth, music, recreation, new friends, yummy snacks, and experiments which all teach our daily lessons. "It takes a whole village to put on a VBS!" and we are gathering a wonderful group of volunteers to teach and encourage the children. Would you like to help? Call VBS Director **Pam Givens** at **602.899.6631** for there's a place for you!

We are distributing promotional post cards, flyers, door hangers, and mailers to get the word out in our neighborhoods. Help promote VBS. The families and children you reach will thank you for it. Many families

in Flagstaff do not have a church home. We will warmly welcome them to Church of the Resurrection...a family friendly church with a positive message to bless families with the love of God through Jesus Christ. Now, that's good news!

There is no cost to participants. COR invests in healthy families through our VBS outreach. Pass the word. Invite someone today. One can **register** their children by calling the church office, Monday through Friday, 9:00 a.m. - 12:00 noon (928) 699-2715.
