Donaldo is one of the 5 Honduran pastors we are currently working with. He and his wife, Rita, have 10 (yes, 10) children (some of them grown) and live in the neighborhood of Eden in La Ceiba. Since coming back from furlough in May, Mike has been mentoring Donaldo and meeting with him regularly. Donaldo and his family are currently holding weekly worship services out of their home.

This past month we were blessed to attend an MTW conference with all of our colleagues from Latin America and Africa! It was a time of refreshment, learning, catching-up with friends, and some relaxation! We heard from several great speakers, including the new coordinator of MTW, Lloyd Kim. Dixi traveled with us and got to be a part of the wonderful children's program and meet other MKs.
