

Missionaries to Honduras

Mike and Ashley Troxell

February 2015

Vol. 6, Num. 2

Last month, Mike, teammates Adam & Seth, and our national pastors joined MTW missionaries and nationals from Belize, Nicaragua, and Costa Rica for a Central America pastor's conference! It was three full days of teaching by missionary/author Rich Ramsey, and discussions among leaders who are at different stages of church planting. Our Honduras group left encouraged and expectant about how the Lord will grow His church in La Ceiba and throughout Honduras!

Life in La Fe

As we continue to minister in the community of La Fe, Ashley has taken four girls under her wing to scholarship them through their first year of high school (7th grade). The girls are thrilled to have this opportunity, their families are grateful that they are able to continue their studies, and Ashley is excited to meet regularly with them to dig into Scripture and guide them as they discuss the basics of the Gospel.

What's Next

Mike has become increasingly passionate about meeting regularly with men who love the Lord and have a desire to be men of God. He meets regularly with several to discuss the heart of grace and how the Gospel transforms us, not just saves us one time. They enjoy this time with Mike and are beginning to apply this "new" teaching as they reach out to their families, neighbors and friends.
