Joint church service

On August 23, our Honduran pastors united to put on a joint worship service in the community of Danto, where one of our church plants is located. Earlier in the day, the pastors shared the Gospel with the people of this community and invited them to attend the service. It was great to see them work together to help grow God's kingdom.

It has been a tremendous blessing the past months to have Lyssa join us serving the people of La Fe. To celebrate her ministry and spend time with some of the teens from La Fe, we took an afternoon to enjoy the river. Lyssa shared a brief lesson on how God calls us to love our enemies.

Celebrating Kid's Day in La Fe

MTW's area retreat is this coming month where we will spend time with other missionaries from Central America and Africa, receive quality teaching in English, and rest. We are extremely thankful that Dixi will be joining us and pray that God will minister to her through relationships with other missionary kids and families.

Prayer Support

- Unity and growth for our 5 Honduran pastors and their church bodies
- Maria, Vivian, Pamela, Abi, Junior and Christian during this volatile stage of life
- Travel, growth and rest as a family, team, and region during the retreat

Upcoming Events
